Big Wins for GOP

Continuing to establish its value in successful political campaigns, Soltel Networks, LLC today proudly announced its involvement in 19 of the winning Republican campaigns across Texas and Arkansas. "19 of our 26 campaigns were winners," said Alex Martinez, CEO of Soltel Networks. We are honored to have been a part in such a crucial and victorious year for the GOP.

Martinez said the Soltel Networks track record not only demonstrates its effectiveness, but also shows that winning political teams are routinely choosing Soltel Networks when it comes to web based and media services. "Having worked with many web and internet service providers in the business and political arena, I can vouch for the professionalism and effectiveness of Alex and his Soltel Networks organization," said Clyde Siebman, former Texas State Republican Committeeman and GOP County Chairman.
